ABOUT

Defence Housing Society

Defence Habitat is a social service organization, functioning with an objective of promoting and facilitating to Serving and Retired Armed / Defence Forces as well as Para Military personnel.

The objectives of Defence Habitat; amongst others, include facilitating provisions of residential plots by promoting housing schemes in cities all over the state as per the demand of Defence and Para Military personnel and their families. Although Defence Habitat does not construct any projects on its own, it ties up with reputed builders / developers to provide the best in class dwelling units to its members at genuine prices. dolor in reprehenderit in voluptate velit esse cillum dolore eu fugiat nulla pariatur excepteur sint occaecat.

Defence Habitat is headed and managed by retired officers of Indian Defence Services, with active support of experienced professionals from various fields.
